Re: Hillary Clinton for President; FEC ID No. C00431569, May Monthly
Report (4/1/08-4/30/08)

Dear Ms. Lien and Mr. Pope,

Enclosed please find our response to your request for additional
information. We have made every attempt to file this electronically
however due to some type of technical error with the FEC website it
would not accept the report. We attempted from multiple locations and
with multiple versions of the software. Once the technical issues are
corrected we will file electronically however we did want you to be in
receipt of our response.
